In consideration of my engagement as a model I hereby grant the artist any and all right to the portrait of me that the artist will create and any and all right to the use of any reproductions of said portrait exclusively for the promotion of the artist's work, including the right to display reproductions of the work on the artist's website. I acknowledge that the artist will be the sole owner of all rights, including copyright, in and to the work.

Additionally, I grant the artist any and all right to the photographs that are taken of me exclusively for the purpose of creating the portrait.

The artist has explained that the purpose of engaging me as a model is to create a unique artistic work. The artist has also explained that the photographic images of me will be used only for the purpose of creating this work. I understand that the resulting portrait will be in the style of the artist but that as there are variations in the creative process I should expect a unique work.

The artist reserves the right to display the work publicly and to offer it for sale.

I hereby waive any and all right to inspect or approve the finished portrait or any reproductions of the portrait including those which may be used for the promotion of the artist's work.

I understand that I will not be compensated for my engagement as a model. I also understand that I will have no claim to a share of the sale price of the work.

I hereby warrant that I am of full age and am competent to contract in my own name in the above regard. I have read the above authorisation, release and agreement, and warrant that I fully understand the contents thereof.
