We are delighted to have booked local artist Sue Kerrigan-Harris for another workshop. Some of you already know Sue, a professional soft pastel artist and qualified teacher. She works on commissions of children, adults, pets and horses; teaches local classes at all levels; provides demonstrations and workshops; and teaches artists all over the world online.

Sue will encourage us to have fun with the medium of soft pastels while inspiring us to create a beautiful picture of a **Christmas decoration** and showing us how to **create shine and sparkle**. We'll also see how to use a special little tool to create some fir tree branches in the background. 😊

There will be a break between the morning and afternoon sessions. Drinks will be available to buy in the Community Centre but you will need to bring your own lunch.

To join the workshop, please complete your details below. Thanks!
